Re: Gerard Caron

Dear Earle:

As a follow-up to our telephone conversation of today, I am reporting to you concerning Mr. Gerard N. Caron. In 1968, it was reported to us that Mr. Caron was registered as Committee Chairman of Troop 473, sponsored by the Knights of Columbus in Oneida. Because of alleged misconduct, the sponsoring institution replaced him as Chairman of their Troop.

I would suspect that this man does not have a good record in Oneida and that the people who know about him in that community would not like to see him serve in a leadership position in Scouting.

In discussing this with Mr. Caron, we suggest that you indicate to him that registration in the Boy Scouts of America is a privilege and not a right and that the National Council reserves the prerogative to accept those individuals it feels will best serve the interests of the organization.

Sincerely,

Earl L. Krall, Director

Dear Howard:

I am returning the Confidential Record Sheet filled out to the best of my ability.

As I mentioned in my letter of March 26, the incidents involving this man are not a matter of public record, but we have talked with four individuals in the city of Oneida who have given us first-hand reports where they claim he has made perverted sexual advances to other male adults. In one instance, the man we talked to was a bar owner and although he was not personally approached, he observed this happening in his place of business. In every instance, the people involved have refused to make a formal statement or charge with the authorities; but apparently, this man's behavior is rather well-known in some circles, and is rather well-known in the institution where he was doing Scouting.

I have asked two police agencies, local and state, to check the man out, but have no indication that an arrest was ever made, and this, of course, is the reason I used the term "alleged" in my original letter. I realize we should have a conviction when we are dealing with the Confidential File, but in my judgment, this man's name belongs there now. He has made no attempt to make an issue of the action taken by the sponsoring institution.

Please keep me informed.

Sincerely,

MADISON COUNTY COUNCIL

PERSONAL AND CONFIDENTIAL

Dear Dick:

Thank you for your letter of March 26 concerning Gerard N. Caron, currently registered as Committee Chairmen of Troop 473 in Oneida. Before we can take final action regarding this situation, we really should have more specific information.

Although your letter indicates that all reports concerning Mr. Caron's conduct are alleged, we would very much appreciate your writing us a more detailed letter telling us the exact nature of his activities that would warrant placing him on the Confidential File. Just what actually happened? What situation or incidents occurred to cause you to feel he should be dropped from Scouting?

Enclosed is a confidential record sheet which we would also appreciate your filling out and returning to us, as soon as possible, together with the above requested information. This additional information will enable us to complete our records and is most important for future reference and identification purposes. Thanks for your help.

Dear Howard:

I have a man that I believe belongs in the Confidential File. Mr. Gerard N. Caron has been registered as Committee Chairman of Troop 473, sponsored by the Knights of Columbus, Oneida Council #473, Oneida, New York, and has recently been replaced by the institution. This action was taken with the knowledge and cooperation of this office, and I believe that the Boy Scouts of America should be protected against this man's reregistration.

Over a period of almost a year, the sponsor and this office were given first-hand reports of alleged misconduct involving this man and other male adults. After careful and cautious consideration of this matter, the institution involved felt it best to drop his membership even though the alleged misbehavior is not presently a matter of public record.

Kindly advise.

Sincerely,
